**For the healthcare needs of your entire family,
 there is one number you need to know.**

Husband, wife, child, parent, grandparent – whatever the healthcare needs are of your family, there is just one phone number you need to know: (660) 829-8888. To continue to provide easier access to exceptional care, Bothwell has implemented a One Call system. Patients can now call one number to schedule appointments, refill prescriptions or speak to a nurse or physician.

**Call to schedule your appointment
